

Pray that more children in India would be able to come to school instead of spending their days begging or working

Pray that children at the Good Samaritan School would be able to have good jobs when they grow up

Pray that families would understand the difference education makes

Pray that the every child at the Good Samaritan School would be sponsored by a generous family

Pray that every child would recieve letters from their sponsored family and feel valued and encouraged

Pray that every child would know they are being prayed for and are loved by a sponsored family

Prayers for India

SadieShares.com

Pray that the children in India who do not have much money for food would have enough to eat

Pray that the children would be nourished by their food to grow up strong and healthy

Pray that the Good Samaritan School would have enough food to feed the children lunch every day

Pray that the children would have clothing that fits their growing bodies

Pray that the children would be kept warm in the winter and protected in the summer by their clothing

Pray that the children would feel proud to wear their school uniform and feel like an important part of the school

Pray that the children would be cared for when they are sick or injured

Pray that the children would have all the vitamins and medicine they need to keep them healthy

Pray that the Good Samaritan School
would have everything it needs to
help sick or injured children
